

The Show Must Go On – The World Facing COVID-19

Dear Sir or Madam,

It is a pleasure for us to introduce you to MUNelly 2021 and to officially invite students from your school to take part in our unique conference. Here your students will assume the role of ambassadors and UN representatives to discuss global problems and join our completely realistic simulations to gain insight into the workings of the United Nations. Your students will not only acquire leadership, persuasion and negotiation skills, but they will also be given the opportunity to improve their ability of critical analysis, public speaking and especially build new, international friendships.

The Nelly-Sachs-Gymnasium Neuss has been involved in Model United Nations simulations for 10 years now and we work together with our partner school, the Scala College in Alphen (Netherlands). MUNelly is a relatively small conference giving students who are not familiar with debating issues a chance to do so, and giving experienced students the chance to develop their skills.

For the very first time, this year's MUNelly conference is held **online on 4th and 5th February 2021**. The advantage is that the conference is entirely free of charge and participating will not involve any travelling.

As MUNelly takes place in February, we kindly ask you to register ASAP, giving the number of delegates and details if they are experienced. Please register now, but the **latest before 20th December 2020**. Best is to type the list in a word document so that spelling mistakes can be avoided. You will get more details when using the new registration system on our homepage www.munelly.de as soon as you have received the password. Please send your registration form via e-mail (to goenensay@nellysachs.de). You will receive the allocated countries soon after registration has closed.

Please let us underline that your participation is an invaluable contribution to the conference and that we will do our best to successfully organise this special event. For any further information, please do not hesitate to contact us. We look forward to "meeting" you in February!

Best regards,

Carlo Schneider (Secretary General)

Meike Gönensay, Corinna Kapp, Anna-Christina Renz (MUN coordinators)
